

# Laith Hazim Nasri Qumsiyeh

---

## Personal Information

- Marital status: Married.
- Nationality: Palestinian.
- Date of Birth: May, 18<sup>th</sup> 1983.

## Education

March 2005 - June 2006      **Arab Academy for Banking & Financial Sciences**      *Amman, Jordan*

### **Master's of Science in Computer Information Systems**

- Accumulative Average: 89.3 (Excellent Standing)

Sept. 2001 — Jan. 2005      **Arab American University**      *Jenin, Palestine*

### **Bachelor of Science in Computer Information Technology**

- Graduate Point Average: 3.78 (Excellent Standing)
- Major Cumulative Average: 3.94

Sept. 1989 — June 2001      **Talitha Kumi**      *Beit-Jala, Palestine*

### **Tawjihi Certificate**

- Average 94.8% (Science Stream)

August 22<sup>nd</sup> — August 29<sup>th</sup> 2004      **Estarta Solutions**      *Amman, Jordan*

### **Visual Studio .net Developer**

July 19<sup>th</sup> — August 19<sup>th</sup> 2004      **Jordan Data Systems**      *Amman, Jordan*

### **Networking And Computer Maintenance**

April 01<sup>st</sup> — June 20<sup>th</sup> 2003      80 Contact Hours Training Program

### **JAVA Development Certified Professional**

## Professional experience

Feb 2008 — Present      **Nassar Investment Group**      *Bethlehem, Palestine*

### **Central Information Technology Manager**

Sept 2006 — June 2008      **Al-Quds Open University**      *Bethlehem, Palestine*

### **Computer Instructor**

Jan 2002 — Present      **Palestine Wildlife Society**      *Beit-Sahour, Palestine*

### **Computer Technician and Webmaster**

Summer 2001      **PCNC 2000 Networking**      *Bethlehem, Palestine*

### **Computer Technician**

## Professional memberships

- Member of the Arab Orthodox Cultural Club.
- Member in the Palestine Wildlife Society.

**Skills**

**Web Development**

- HTML, JavaScript, ColdFusion, VB.net, JSP, ASP, PHP.

**Programming Languages**

- C++, Java, and Visual Basic.

**Database**

- Oracle, SQL Server, MySQL, Ms Access.

**Networking**

- Network Design & Implementation, Router & Hardware Configuration.

**Multimedia**

- Adobe Photoshop, Adobe Premiere, Corel Paint Shop Pro, Sonic Foundry Sound Forge, Ulead Video Studio.

**Some of the good Projects I have done**

- **Database:** we developed a database system for Al-Zababda Municipality that handles all the electricity, water, taxes transactions in the town; we used Oracle for the database and Visual Basic for the interface.
- **Web Design:** I designed a Personal website, and the university Website that was used for a while during my studies, also some organizations like the Palestine Wildlife Society (<http://www.wildlife-pal.org>).
- **Web Development:**
  - I developed an Application Server for the Palestine Wildlife Society in Beit-Sahour using Visual Studio .net and SQL Server 2000, which have different authentication levels and user views (<http://database.wildlife-pal.org/>).
  - We developed a prepaid B2C system using ColdFusion, by which customers could buy products from the web server using prepaid cards; the system has a fully automated buying process.
- **Programming:** I programmed two games in java environment (Towers of Hanoi and Snake), also I programmed a route planning system using java and JBuilder, and I programmed a matrix manipulation program using C++.
- **Computer Graphics:** I designed a 3D Environment with a House that you can walk in and out and open and close a door.

**Languages**

- Proficient reading, writing, speaking, typing in both English and Arabic (native tongue).
- Fair knowledge of German language.

**Volunteer experience**

*Summer 2003*

**Municipality of Beit-Sahour**

*Beit-Sahour, Palestine*

**Completed 120 hours in community service**

**Community activities**

- Participated in the Arab Orthodox Club Scouts camp at Deir Qubaiba in the summer of 1998.

**Interests and activities**

- Computer Networking and programming.
- Hardware Maintenance.
- Swimming.
- Gymnastics.
- Soccer.

**Awards  
received**

- Was awarded a Certificate of Honor in Physics in 1999.
- Received several awards in Gymnastics, and ranked the first in all of them.
- Remained on the dean's list for four consecutive semesters at the Arab American University.
- Received two awards in computer skills in the 10<sup>th</sup> and 11<sup>th</sup> grades at Talitha Kumi.

**Computer  
Courses I  
Learned**

- Information Technology.
- Programming Fundamentals I, II (C++).
- Digital Logic Design.
- Computer Organization.
- PC Upgrading & Maintenance.
- Networking, Advanced Computer Networks.
- Local Area Networks & Intranet, Internet Basics.
- Object Oriented Programming I, II.
- Data Structures.
- Computer Graphics & Multimedia.
- Database I, II and Advanced Database Topics.
- Visual Programming (Basic).
- System Analysis & Design, Software Engineering.
- Operating Systems & UNIX, Advanced OS Topics.
- Web Development.
- Electronic Commerce, Electronic Business.
- Artificial Intelligence, Advanced Knowledge Based Systems.
- Information System Management.
- Computer & Information Security.
